Oh, so
here and there
the master is!
Observe the faded
rot of his face, the
frenzied green
glow of his
eyes!

Dark
light

And his
captive...

Yes, I know
something about
power of view on
this - but do I
know it?

Yes...

AND NO,
I DON'T KNOW
WHY YOU CAN'T
TEACH YOURSELF
OUT OF HERE ANY
MORE THAN I UNDER-
STAND WHY I CAN'T
EASILY FIND THE FUEL,
BUT IF I COULD GET OUT
OF HERE I WOULD RATHER
SPEND A THOUSAND
YEARS IN THE DUNGE-
ONS OF GILGON
RATHER THAN SPEND
ANOTHER MOMENT
IN YOUR
COMPANY.

THE
DISCUSSION IS
CLOSED, AS I AM
UNWILLING TO
TALK WITH YOU
ANY FURTHER.

AND,
RECENTLY,
WE ARE NOT
ALONE.

It's the only dimensional gate in this part of Hight. It's a bit off the beaten track, if you can what I mean. So you just need to pop over there and through the gate and you'll be home again. Jiggity-jag.

IT'S THAT GATE? NOT THE ONE WE SAW?

Well, almost. That's a small war going on between us and the gate. But suppose, he should be mentioned.

But they'll be all right with their bat things in a week or so. And they won't ever come up here. They're scared of the old place. That's the point.

A WENCH?

They've been fighting for two weeks straight so far. So they're sure to be done soon. Oh?

NOTHING'S
PLANT LIKE THIS
SINCE THE PALMERSON
BROUGHT ME BACK
TO LIFE...

SHUT. TELL
HIM HE WAS JUST
BITTEN BY A VAMPIRE.
AND THAT HE'S GONNA
NEED SOME KIND
OF ANTIDOTE FOR
THE VAMPIRE
VENOM.

AND
TELL HIM
TO KEEP
PUSHING.
WE'RE
ALMOST
AT THE
GATE.

Lord?

SHUT.
TELL HER I
HEARD HER.
OKAY?

I GOT IT, ANGELA. I GOT A VISIO-RECORDING OF THE WHOLE THING. HER COMPROMISE AND EVERYTHING.

I'M SURE WE CAN GET SOME ADDITIONAL WITH THIS.

ACQUITTALS? IF YOU THINK I'M GOING BACK TO ELYSIUM...

WE'LL GIVE THEM THE RECORDING, BUT I'M DRAINED IF I EVER WORK AS AN ANGEL AGAIN.

ANGELA, DON'T TALK LIKE THAT.

ANGELA, YOU'RE ONE OF THE FINEST HUNTERS, SOLDIERS OR MESSENGERS THAT ELYSIUM HAS EVER HAD.

YOU CAN'T SAY THE WORD OF BURNING TONGUES WITHOUT MEANING IT.

COME BACK WITH US. LET US CLEAR YOUR NAME.

BLAH, BLAH, BLAH 23

Alright, here I go. First and foremost, the hockey strike is over! Long live NHL and NHLPA! It was a very happy day when we heard the news. Finally we would see the boys lace up the skates and take to the ice. (BTW, so far my Canucks are playing boot piss!) Now on to real business.

The Spring '95 Spawn toys have arrived! They're in Seattle right now! Angela, Commando and Pilot Spawn, Malebolgia, Chapel and Badrock are on the shelves. These toys are amazing, the detail is unbelievable, Malebolgia stands at over 12" tall! Yup.

Remember the different Spawn toy I talked about last ish? Well, we lost a lot of them when that Filipino freighter sank about 40 days ago. And Tremors and Overtkills that were painted different, too? Yup, overboard.

Spawn goes cyber! Sony Imagesoft has officially announced that they will be

releasing Spawn video games this X-Mas buying season! Be on the lookout for Super Nintendo, Genesis and PC-CD ROM versions. Then, less than a year later you'll see Sony PlayStation and Sega Saturn versions!

Todd and I have been and will be, involved at every stage of development, from initial animation design to final packaging. From what early info we have, the game should be great. It's look is as close to Todd's drawings as humanly, (computerly), possible. No one should be disappointed. I'll update you as the months go by.

In the meantime, feel free to write me with your game, or any other, suggestions, either using the snail mail address on the letters page or digitally at 75057.2350@Compuserve.com.

It's off to Toy Fair for Todd and I this weekend, Feb. 10-17. We will be attending the Todd Toys display area, showing off the new Fall 1995 Spawn toys line.

Also on display will be the prototypes for the Youngblood and Wetworks toy lines. This "show" is set up so all of the toy buyers from department, toy and warehouse stores can come and review your new products. If you thought that the Fall 94 toys were cool, wait until you see "Future Spawn" from the Fall 95 line. Incredible.

What else...? Well, last week Todd and I were in San Fran, shooting the second Todd Toys commercial at Industrial Light and Magic. The final cut arrives Friday, but from being there and seeing the action filmed, it'll be like a mini movie, not a "cheap" toy commercial. The first 10 seconds of the commercial is live action footage of Spawn, with the next 20 seconds highlighting kids playing with the toys. Some Todd guy makes a little appearance as well.

That's it 'til next month...now, BACK TO WORK!
